## CABOT

Memorial Exercises Largely Attended—Rev. C. S. Adams, Danville, Spoke.

The pre-Memorial day exercises, held at town hall, Friday, May 28, were very interesting and well carried out. The hall was tastefully decorated with wreaths and flags, the back of the stage banked with evergreen, from the center of which was suspended a portrait of Abraham Lincoln, surrounded by two flags. Several songs were sung by the school pupils, who numbered 50, and filled the standing capacity of the stage, and several recitations also were given. The front of the stage was decorated with evergreens, and cherry blossoms. Several spectators were present. Remarks were made by E. D. Watson, the exercises closing by singing "America."

Sunday, union service was held in the M. E. church. In the absence of Rev. M. W. Hale, the Memorial sermon was delivered by Rev. E. L. Goddard, a good-sized audience being present. An orchestra of three pieces, accompanied by the pipe organ and congregational singing, furnished music. Memorial day, coming on Sunday, the usual observance of that day was postponed until Monday, which proved to be an ideal day without a cloud to obscure the beautiful blue sky. At 10 o'clock a. m., the veterans, numbering only five, several W. R. C. ladies, four Sons of Veterans, followed by 60 school children, carrying wreaths, flags and flowers, marched to the lawn near the river, where exercises by the W. R. C. were carried out. After saluting the flag, "Never, My God, to Thee" was sung. Mrs. E. L. Goddard presiding at the organ. Mrs. Jessie Drew gave a song, "Rocked in the Cradle of the Deep," followed by prayer by Rev. E. L. Goddard. Flowers were placed on an altar and a floral anchor, borne by two W. R. C. ladies, was tossed upon the water. The school children marched in order, escorted by two color bearers, to the river bank, where bouquets and evergreens were thrown on the water to float away with the anchor in memory of the sailor dead. The march was again taken up to the cemetery, where the services were concluded, bouquets and evergreen wreaths being placed on the mound for the unknown dead, whose last resting place is unknown. At noon, a dinner was served to the veterans and a few invited guests, the remainder of the people partaking of a basket lunch. At 1:30, the town was filled with eager listeners to hear a very enthusiastic and stirring address, given by Rev. C. S. Adams of Danville, which was highly enjoyed by all. The "Star Spangled Banner" was sung, there were several recitations, singing by a quartet from the high school, a solo by Mrs. Jessie Drew and a duet by Mrs. Carrie Smith and Mrs. Drew. At the close, the audience arose, tendering the speaker their sincere thanks for the excellent address and the exercises closed by singing "America."

## This Tells You How to Get Benefit of the Best Senna

Finest Grade of Egyptian Senna Leaves used in compounding Dr. Caldwell's Syrup Pepsin.

PROMINENT importers and wholesale dealers in crude drugs and medicinal herbs gathered from all parts of the world do not hesitate to say that the market for the better grades of medicinal herbs, roots, oils, etc., is practically confined to the leading manufacturers of the so-called package medicines, who buy only the very best, and that the manufacturers of Dr. Caldwell's Syrup Pepsin are the largest users of the best grade of Egyptian senna leaves in the world.

The potency of a tea brewed from senna leaves to relieve constipation has long been recognized, not only by the medical profession, but by the public generally; in fact, senna has been known and used in medicine for more than five centuries. The cheaper grades of senna, such as are usually sold at retail, have, however, a tendency to gripe and cramp

which makes their use unpopular with most people.

In Dr. Caldwell's Syrup Pepsin the finest Egyptian senna is combined with pepsin and other valuable agents, essential oils and pure cane sugar syrup to make an exceptionally valuable tonic-laxative for the relief of constipation and resulting disturbances of the stomach and bowels. The complete formula is plainly printed in English, French, and Spanish on every package. Thousands who formerly bought an inferior grade of senna leaves now use Dr. Caldwell's Syrup Pepsin instead. It is sold in drug stores everywhere.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest-selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.
